

Confined Spaces and Work at Height Trainer

Based in the beautiful rural setting of Stoneleigh, Pragmatic Consulting Ltd is a fast-growing business that offers external training solutions to some of the UK leading tier one construction companies on a national basis. Pragmatic Consulting have training facilities throughout the UK offering flexibility to their clients. Having been set up only 8 years the company has seen exponential growth and looks only to be continuing in the same upward direction. This is a great time to join this dynamic forward-thinking company that offers professional support and guidance to help you achieve your career goals. We are currently expanding rapidly to continue to meet client demands.

We have a part time friendly office dog who is in the office most Tuesday's and Thursdays.

Stoneleigh Park with Travel
